Department of Finance	Glen Lee/684-8079	Amanda Allen/684-8894

Legislation Title:

AN ORDINANCE authorizing, in 2009, acceptance of funding from non-City sources; authorizing the heads of the Department of Parks and Recreation, the Legislative Department, Seattle Department of Transportation, the Seattle Police Department, the Seattle Public Utilities, the Seattle Fire Department, the Office of Sustainability and Environment, the Office of Arts and Cultural Affairs, the Human Services Department, and the Department of Neighborhoods to accept specified grants and private funding and to execute, deliver, and perform corresponding agreements; and ratifying and confirming certain prior acts.

- **Summary of the Legislation:**

This Council Bill proposes the acceptance of 54 grants and private funds from various agencies and organizations.

- **Background:**

During the course of a year, City departments receive grant awards or opportunities for other funding resources that are not anticipated in the Adopted Budget. The Department of Finance formally accepts these funds by compiling departmental grants acceptances and similar agreements into three separate ordinances in the first, second, and fourth quarter of the year. The attached ordinance contains grant-related requests received during the fourth quarter of 2009. Corresponding appropriations for the necessary items in this Bill are included in the Department of Finance's Fourth Quarter Supplemental.

X This legislation has financial implications.

Information on the following pages provide descriptions of the financial and program implications of this ordinance

- **What are the possible alternatives to the legislation that could achieve the same or similar objectives?**

The same objective could not be achieved without this legislation.

- **Is the legislation subject to public hearing requirements:** No.
- **Other Issues** (*including long-term implications of the legislation*): None
- **List attachments to the fiscal note below:**

This item increases support to the Emergency and Transitional Services BCL by \$300,000 from the King County Veterans and Human Services Levy. Funds will be used to purchase hardware and equipment for agencies participating in the Homeless Management Information System (HMIS). The funding runs from January 1, 2009 through December 31, 2009.
- 1.17 Seattle Municipal Archives Backlog Arrangement and Description Project (Legislative Department - General Subfund - 00100) \$106,480
This item increases support to the Seattle Municipal Archives, Office of the City Clerk, Legislative Department by \$106,480 from the National Historical Publications and Records Commission. This grant provides funding to retire the current backlog of unprocessed archival records in the custody of the Seattle Municipal Archives. The grant was received by the Department in June 2009, has no matching requirement, and is for the grant period October 1, 2009 through September 30, 2011. The Seattle Municipal Archives staff will provide \$177,258 in in-kind services representing 3,550 staff hours. This grant supports 1 FTE temporary position for the two-year grant period.
- 1.18 ARRA grant from National Endowment for the Arts to Office of Arts & Cultural Affairs (Office of Arts and Cultural Affairs - Arts Account - 00140) \$250,000
This item increases support to the Office of Arts & Cultural Affairs Civic Partners Program by \$250,000 from the National Endowment of the Arts (NEA). This grant provides funding for the preservation of arts-related jobs that have been lost or threatened due to the economic downturn. NEA grant #09-905-155 was received by the Department in July 2009, has no matching requirement and is for the grant period 7/1/09 to 7/31/10.
- 1.19 Seattle Retrofit Workforce (Office of Sustainability and Environment - General Subfund - 00100) \$70,000
This item increases support to the Green Building Capital Initiative (GBCI) by \$70,000 from Living Cities. The GBCI is a multi-faceted approach to improve energy efficiency in Seattle's residential and commercial buildings. This funding will help support existing training programs for jobs that will be created by the GBCI, establish hiring standards for filling new positions, and establish quality assurance protocols for energy efficiency retrofit work. There are no new CIP projects or new FTES associated with this item and no match is required.
- 1.20 First Hill Streetcar - Federal Transit Authority (FTA) (Seattle Department of Transportation - Transportation Operating Fund - 10310) \$437,063
This item increases support to the Major Projects BCL by \$437,063 for the First Hill Streetcar project (TC367100). The City was awarded a grant from the Federal Transit Authority (FTA) for the First Hill Streetcar in the amount of \$437,063. The funding will be used to evaluate the potential future connections between the First Hill line and the South Lake Union line of the Seattle Streetcar.

1.21	King Street Station Multimodal Terminal - Federal Transit Authority grant (Seattle Department of Transportation - Transportation Operating Fund - 10310) This item increases support to the Mobility Capital BCL by \$2,543,500 for the King Street Station Multimodal Terminal (TC366810). The Washington State Department of Transportation is transferring Federal Transit Authority (FTA) grant funding to the City for the rehabilitation of the King Street Station. The funding will be used for the geotechnical analysis, performance-based seismic and structural design, and early exploratory work for the rehabilitation of the station.	\$2,543,500
1.22	Construction Service Assistance for Light Rail Initial Link (Seattle Fire Department - General Subfund - 00100) This item increases support to the Prevention Division by \$22,571 from Sound Transit. This grant covers costs through 2009 for construction inspection associated with the light rail initial link, including the transit tunnel through Beacon Hill. The positions include a 0.25 Deputy Chief project manager, 0.35 Fire Prevention Engineer and 0.75 Administrative Lieutenant. Construction service assistance occurs during design, permitting, and construction inspection to assure compliance with the fire code. Funding for these positions was initially appropriated with the 2009 operating budget. The fourth quarter appropriation is for additional labor expenses incurred due to a longer-than-expected construction window, overtime, salary adjustments, and labor contract settlements. This funding will be tracked under Fire Department Project 600138.	\$22,571
1.23	Tunnel Rescue Exercise (Seattle Fire Department - General Subfund - 00100) This item increases support to the Operations Division by \$18,000 from King County. The Seattle Fire Department provides response services for emergencies occurring in the Downtown Seattle Transit Tunnel used by King County Metro. This grant provides funds for conducting a response and rescue drill in the tunnel. Emergency circumstances are simulated and tunnel rescue crews are not rehearsed in anticipation of the drill. It is not widely announced until the day of the drill. No positions are supported, although any overtime associated with the drill is covered. There is no local match required as the grant provides 100% of the funding. This funding will be tracked within Fire Department Project 600149.	\$18,000
1.24	Structural Collapse Training for Urban Search and Rescue Members (Seattle Fire Department - General Subfund - 00100) This item increases support to the Operations Division by \$21,000 from the U.S. Department of Homeland Security Federal Emergency Management Agency. This grant provides funds for mandatory rescue training for Seattle firefighters who are members of the Washington region task force that is part of a nationwide network of search and rescue teams available for deployment in response to larger natural and manmade incidents such as hurricanes or other mass casualty events. No positions are supported and there is no local match required as the grant provides 100% of the funding. This funding will be tracked under Fire Department Project 600161.	\$21,000

- This item increases support to the Operations Division by \$382,362 from the Federal Emergency Management Agency of the DHS through King County. The intent of the grant is to strengthen regional chemical, biological, radiological, nuclear and explosive (CBRNE) detection, response and decontamination capabilities. Specific items authorized include radiation pagers for first responders, biological screening equipment, portable and disposable back boards, casualty shelters, chem-bio rescue suits and filters for breathing apparatus. No positions are supported and there is no local match required as the grant provides 100% of the funding. This funding will be tracked under Fire Department Project 600154.
- 1.26 Interoperable Communications Training (Seattle Fire Department - General Subfund - 00100) \$50,000
- This item increases support to the Operations Division by \$50,000 from the Federal Emergency Management Agency as awarded through King County. The intent of the grant is to strengthen regional interoperable emergency communication among the variety of responding organizations. The grant will provide funds for instructors and students to attend training when off shift or for backfill (overtime) if attending when the student is on shift. Classes will be held at the Joint Training Facility. No positions are supported and there is no local match required as the grant provides 100% of the funding. This funding will be tracked under Fire Department Project 600153.
- 1.27 Firefighter Protective Equipment (Seattle Fire Department - General Subfund - 00100) \$40,000
- This item increases support to the Operations Division by \$40,000 from the Federal Emergency Management Agency and awarded through King County. The intent of the grant is to increase personal protective equipment for responding firefighters including paramedics. The grant will provide funding for particulate respiratory masks and fit testing kits to test and adjust masks for individual users. These masks are used primarily in emergency medical responses. No positions are supported and there is no local match required as the grant provides 100% of the funding. This funding will be tracked under Fire Department Project 600157.
- 1.28 Interoperable Communications Curriculum Development and Training (Seattle Fire Department - General Subfund - 00100) \$61,000
- This item increases support to the Risk Management and Training Division by \$60,000 from the U.S. Department of Homeland Security. This grant funds training for interoperable communications for emergency responders. Specifically, the grant provides funding for curriculum development, instructor time and required overtime for training that would take place off shift or backfill if training is on shift. No positions are supported and there is no local match required as the grant provides 100% of the funding. This funding will be tracked under Fire Department Project 600160.
- 1.29 Modernization of the Chief Seattle Fireboat (Seattle Fire Department - General Subfund - 00100) \$2,370,235
- This item increases support to the Operations Division by \$2,370,235 from the U.S. Department of Homeland Security Port Security Program funded through the Port of Seattle. This grant provides for design, engineering, project management, dry-dock, upgrade of the pilot house, upgrade of the

- electrical, ventilation and bilge systems, surveillance and crew protection improvements. Construction of the project will be managed by the City of Seattle's Fleets and Facilities Department. No positions are supported. The local match of \$790,078 is already appropriated in the Fire Facilities Levy Fund. This funding will be tracked under Fire Department Project 600123.
- 1.30 Equipment for the Fireboat Leschi (Seattle Fire Department - General Subfund - 00100) \$288,255
This item increases support to the Operations Division by \$288,255 from the U.S. Department of Homeland Security Port Security Program funded through the Port of Seattle. This grant provides for design, installation and training for firefighters of search and rescue equipment. No positions are supported. The local match of \$96,075 will be provided from the Fire Facilities Levy Fund. This funding will be tracked under the new BCL within Fire Department Project 600163.
- 1.31 Construction Service Assistance for Light Rail University link. (Seattle Fire Department - General Subfund - 00100) \$73,639
This item increases support to the Prevention Division by \$73,639 from Sound Transit. This supplemental grant covers the costs through 2009 for construction inspection associated with the Light Rail University Link. The positions include a 0.25 Deputy Chief project manager and a 0.25 Fire Prevention Engineer. Construction assistance occurs during design and permitting to assure compliance within the Fire Department Project 600139.
- 1.32 Human Trafficking Task Force Grant (Seattle Police Department - General Subfund - 00100) \$300,000
This item increases support to the Chief of Police program in the Seattle Police Department by \$300,000 from the U.S. Bureau of Justice Assistance. This funding continues support for operation of the Department's Human Trafficking Task Force initiative in cooperation with the U.S. Attorney's Office and the Victims of Crime service provider. The grant will pay for 2.0 FTE existing detective positions with the goal of identifying and rescuing foreign victims of trafficking, and prosecuting traffickers. The term for this award runs from August 1, 2009 through September 30, 2010. There is a \$100,000 in-kind matching requirement that is included in SPD's budget. - This item increases support to the Chief of Police BCL in the Seattle Police Department by \$103,322 from the Washington State Parks and Recreation Commission under the federal Marine Law Enforcement Grants program. This funding will support the cost of mandatory boater education classes and water patrols conducted by the SPD Harbor Patrol Unit, with special attention to problems of boating under the influence, and the importance of wearing life jackets. The term of the grant runs from July 1, 2009 through June 30, 2010. There are no matching requirements or capital improvement projects associated with this grant.
- 1.37 Bomb Team Equipment Grant (Seattle Police Department - General Subfund - 00100) \$700,000
- This item increases support to the Chief of Police BCL in the Seattle Police Department by \$700,000 from the King County Office of Emergency Management under the federal pass-through FY08 State Homeland Security Program. This funding will pay for personal protective and related equipment for the Seattle Region's bomb teams, enabling them to work effectively and safely in environments where they may encounter improvised explosive devices (IEDs). The term of the grant runs from June 30, 2009 through June 30, 2010. There are no matching requirements or capital improvement projects associated with this grant.
- 1.38 Tactical Operations CBRNE Equipment Grant (Seattle Police Department - General Subfund - 00100) \$95,000
- This item increases support to the Chief of Police BCL in the Seattle Police Department by \$95,000 from the King County Office of Emergency

- Management under the federal pass-through FY07 Law Enforcement Terrorism Prevention Program. This funding will pay for the purchase of personal protective equipment and specialized communications equipment for the Seattle Region's SWAT and Harbor teams. This equipment will allow tactical operations personnel to operate effectively and safely in environments where there may be contamination from chemical, biological, radiological, or nuclear explosive (CBRNE) devices. The term of this grant runs through November 30, 2009. There are no matching requirements or capital improvement projects associated with this grant.
- 1.39 Next Generation 911 (NG-911) Equipment Purchase (Seattle Police Department - General Subfund - 00100) \$317,520
This item increases support to the Field Support Administration program in the Seattle Police Department by \$317,520 from King County E-911 Tax Levy Funds for Public Safety Access Points (PSAP), including the SPD Communications Center. This is in addition to ongoing levy support to the SPD PSAP. These funds will allow the purchase of a NICE Recorder system, together with warranty and annual maintenance, which will facilitate the transition of the Communications Center to NG-911 operations. This purchase allows storage of inputs from text messaging and cell phone photos that are not currently supported by the Center. The term for this award runs through December 31, 2009. Recurring operations and maintenance costs will be paid on an ongoing basis from the tax levy fund source. There are no matching requirements or capital improvement projects associated with this item.
- 1.40 Bullet-Proof Vest Grants (Seattle Police Department - General Subfund - 00100) \$33,065
This item increases support to the Chief of Police BCL in the Seattle Police Department by \$33,065 from the U.S. Office of Justice Programs for replacement of bullet-proof vests, a critical item for officer safety. The term for these grants runs until September 30, 2011. There are no matching requirements or capital improvement projects associated with this item.
- 1.41 Seattle Metro Incident Management Team Support Grant (Seattle Police Department - General Subfund - 00100) \$150,000
This item increases support to the Chief of Police BCL in the Seattle Police Department by \$150,000 from the King County Office of Emergency Management under the federal pass-through FY08 State Homeland Security Program. This grant will support the costs of training and equipping the Seattle Metro Incident Management Team that was created in 2005 to provide the Seattle area with capability to respond across jurisdictions to significant incidents, including those where there may be chemical, biological, radiological or nuclear explosive contaminants or other terrorist-related incidents. Currently, the team includes police, fire and other first-responder personnel from 17 agencies throughout the Seattle area. The term for this grant runs from May 1, 2009 through June 30, 2010. There are no matching requirements or capital improvement projects associated with this grant.
- 1.42 MID Supplemental Police Services Agreement (Seattle Police Department - General Subfund - 00100) \$165,370
This item increases support to the Chief of Police BCL in the Seattle Police

- Department by \$165,370 from the Metropolitan Improvement District (MID) of the Downtown Seattle Association for supplemental bike and foot beat patrols between July 1, 2009 and June 30, 2010 within the MID service area of West Precinct. The MID has contracted with the Department for these services to further enhance the safety and protection of the public, businesses, and residents within the MID boundaries. The agreement includes an hourly charge for police overtime and for bike equipment, when used. This is the fourth year of this agreement, which is expanded this year with a special foot beat emphasis in the 1500 block of 2nd Avenue. There are no matching requirements or capital improvement projects associated with this reimbursable agreement.
- 1.43 Alaskan Way Viaduct Project Traffic Control Services Agreement - Stage 2 Holgate to King (Seattle Police Department - General Subfund - 00100) \$421,200
This item increases support to the Emergency Preparedness Administration program in the Seattle Police Department by \$421,200 from the Washington State Department of Transportation for traffic control services in support of the Alaskan Way Viaduct project - Stage 2 Holgate to King - during the period March 1, 2010 through December 31, 2014. This agreement will reimburse the City for the actual cost of 5,400 hours of police overtime in providing these services. There are no matching requirements or capital improvement projects associated with this reimbursable agreement.
- 1.44 Alaskan Way Viaduct Project Traffic Control Services Agreement - ITS North (Seattle Police Department - General Subfund - 00100) \$31,275
This item increases support to the Traffic Enforcement BCL in the Seattle Police Department by \$31,275 from the Washington State Department of Transportation for traffic control services in support of the Alaskan Way Viaduct project - ITS North - during the period January 4, 2010 through December 31, 2010. This agreement will reimburse the City for the actual cost of 450 hours of police overtime in providing these services. There are no matching requirements or capital improvement projects associated with this reimbursable item.
- 1.45 Innocence Lost Task Force Agreement (Seattle Police Department - General Subfund - 00100) \$53,079
This item increases support to the Special Investigations BCL in the Seattle Police Department by \$53,079 from the Federal Bureau of Investigation for establishment of a federal-local Innocence Lost Task Force. Funding will reimburse the cost of overtime for three detectives assigned to the new task force. The purpose of this agreement is to deter juvenile prostitution by attacking the criminal network that effectively keeps young girls hostage to the sex industry. The initial period of work under the memorandum of understanding establishing the task force is from September 1, 2009 through September 30, 2010. There are no matching requirements or capital improvement projects associated with this reimbursable agreement.
- 1.46 SR-519 Sporting Event Traffic Mitigation Agreement (Seattle Police Department - General Subfund - 00100) \$220,000
This item increases support to the Traffic Enforcement BCL in the Seattle Police Department by \$220,000 from the Washington State Department of Transportation for traffic control services to mitigate the construction impacts associated with the SR-519 project before, during, and after

- sporting events at Safeco and Qwest Fields. This agreement will provide the City with reimbursement for traffic officers' deployment sporting events during the period commencing April 11, 2009 through the end of the year. There are no matching requirements or capital improvement projects associated with this reimbursable grant item.
- 1.47 Sound Transit Traffic Control Start Up Agreement (Seattle Police Department - General Subfund - 00100) \$77,756
This item increases support to the Traffic Enforcement BCL in the Seattle Police Department by \$77,756 from Sound Transit. This funding will reimburse the City for traffic control service hours provided by SPD officers in support of operational testing leading up to the start of Central Link light rail operations in mid-July 2009. These resources are in addition to those provided in the First Quarter 2009 Supplemental Ordinance and are needed to fully reimburse the City for SPD resources expended on the project. There are no matching requirements or capital improvement projects associated with this reimbursable grant item.
- 1.48 Sound Transit Security Specialist Extension Agreement (Seattle Police Department - General Subfund - 00100) \$145,900
This item increases support to the Traffic Enforcement BCL in the Seattle Police Department by \$145,900 from Sound Transit for continuation of the security specialist services agreement dated October 10, 2008. Under the original contract, SPD agreed to provide Sound Transit with the services of one full-time Associate Transportation Planner II to serve as security specialist to assist with the development of security operations for the Central Link Light Rail and related projects through September 30, 2009. This item extends the reimbursable agreement through December 31, 2010 and will cover the full cost of salary and benefits, vehicle lease, travel and training. Unless again extended, this position will sunset at the conclusion of the contract term. There are no matching requirements or capital improvement projects associated with this reimbursable grant agreement.
- 1.49 OCDETF Investigations Agreements (Seattle Police Department - General Subfund - 00100) \$41,834
This item increases support to the Narcotics Investigations BCL in the Seattle Police Department by \$41,834 from the federal Office of Organized Crime Drug Enforcement Task Forces (OCDETF). This item provides funding to reimburse the Department for the cost of detective overtime spent in the investigation of four high priority drug cases. The purpose of this work is to disrupt and interdict the flow of illegal drugs into the city. The term of support under these agreements runs through December 31, 2009. There are no matching requirements or capital improvement projects associated with these reimbursable agreements.
- 1.50 Traffic Emphasis Reimbursement Agreements (Seattle Police Department - General Subfund - 00100) \$38,908
This item increases support to the Chief of Police BCL in the Seattle Police Department by \$38,908 from the Washington Traffic Safety Commission for traffic emphasis operations. Separate agreements provide support for three projects: 1) motorcycle speeding violation enforcement; 2) driving under the influence violation enforcement; and 3) the Aurora Corridor traffic safety emphasis. Resources will be used to reimburse the City for the

- cost of officer overtime working on these projects. The inclusive dates for performance run from June 2009 through September 2010. There are no matching requirements or capital improvement projects associated with these reimbursable grant agreements.
- 1.51 SNAP Program Fraud Investigation Agreement (Seattle Police Department - General Subfund - 00100) \$21,126
- This item increases support to the Emergency Preparedness Administration program in the Seattle Police Department by \$21,126 from the U.S. Department of Agriculture to reimburse the City for the cost of detective overtime incurred during a fraud investigation involving the Supplemental Nutrition Assistance Program (SNAP). Work was performed during the summer of 2009. There are no matching requirements or capital improvement projects associated with this reimbursable agreement.
- 1.52 KCD 44th Avenue NE Floodplain Restoration (Seattle Public Utilities - Drainage and Wastewater Fund - 44010) \$100,000
- This item increases support to the 44th Ave. NE Floodplain Restoration project by \$100,000 from the King Conservation District. This grant will provide funding for design and construction of a floodplain reconnection demonstration project applicable to urban streamside property owners. The project will be located on a property that is being donated to the City of Seattle and involves laying back the stream bank above the waterline, regrading the property to provide floodplain storage, and re-vegetation of the property with native riparian vegetation. Grant money is anticipated to run from October 2009 through 2010 and provides 100% funding. This grant supports work within the existing Localized Flood Control Program (C3312).
- 1.53 KCD Thornton Creek Knickerbocker Reach Floodplain Restoration (Seattle Public Utilities - Drainage and Wastewater Fund - 44010) \$100,000
- This item increases support to the Thornton Creek Knickerbocker Reach Floodplain Restoration project by \$100,000 from the King Conservation District. This grant will provide funding for the design of an urban floodplain reconnection demonstration project to reduce damage from flooding on downstream properties and infrastructure, and improve stream and riparian habitat quality. The project will transform a 6 ft. wide rockery-lined channel into a wider meandering channel (15 to 20 feet wide), with a 30 to 100 foot wide floodplain. This will be accomplished through fill removal and the installation of large woody debris and stream gravel. The surrounding 2.5 acres of land will be densely planted to restore the natural floodplain and riparian habitat. Grant money is anticipated to run from October 2009 through 2010 and provides 100% funding.
- 1.54 KCD Venema Creek Pre-Project Monitoring (Seattle Public Utilities - Drainage and Wastewater Fund - 44010) \$100,000
- This item increases support for the Venema Creek Pre-Project Monitoring project by \$100,000 from the King Conservation District (KCD). This grant will provide funding for the pre-project monitoring the effectiveness of the natural drainage system (NDS) project in Venema Creek. This funding is needed as SPU and other municipalities aim to improve stream health by expending time and effort on water quality and habitat improvements. The purpose of this investigation is to develop and implement a plan to evaluate

the physical and biological effects of watershed restoration projects in Seattle's urban creeks in 2009. This project is necessary to address key factors limiting the conservation, recovery and management of fish species such as Coho, Sockeye, Chum and Chinook salmon, and Cutthroat trout. This project will benefit SPU greatly in planning future NDS projects. Grant money is anticipated to run from October 2009 through 2010 and provides 100% funding.

Honorable Richard Conlin
President
Seattle City Council
City Hall, 2nd Floor

Dear Council President Conlin:

I am pleased to transmit the attached proposed Council Bill, which accepts grants and private funds from various agencies and organizations. Corresponding appropriations for items in this Bill are included in the Department of Finance's 2009 Fourth Quarter Supplemental Ordinance, which is being transmitted to the Council under separate cover.

This Bill accepts 54 grants totaling approximately \$13.24 million on behalf of ten City departments: the Department of Parks and Recreation, the Legislative Department, Seattle Department of Transportation, the Seattle Police Department, the Seattle Public Utilities, the Seattle Fire Department, the Office of Sustainability and Environment, the Office of Arts and Cultural Affairs, the Human Services Department, and the Department of Neighborhoods.

Funding received from the grants that are accepted by this legislation will help provide important programs and services throughout Seattle, and support City departments in their ongoing efforts to serve the public. Thank you for your consideration of this legislation. Should you have questions, please contact Amanda Allen at 684-8894.

Sincerely,

GREG NICKELS
Mayor of Seattle
